Helping Home Learning

Read with TRUST

Reading opportunities are everywhere. You can make anything a learning experience for your child, just follow the TRUST ideas to talk about anything your child enjoys reading.

T Take turns to talk about what you are going to read

R Recap the predictions as you are reading

U Use lots of encouragement

S Share what you know about the text

T Tune-in and be interested

The TRUST framework was adapted from 'High Quality Interactions' in the EEF's guidance report *Preparing for Literacy* [p.9]

7 Top Tips to Support Key Stage 2 Children Reading at Home

Shared reading is a great way to develop children's language and communication and to boost their reading skills. Regular reading routines can offer lots of opportunities for learning during school closures—these tips are aimed at supporting children in Key Stage 2.

1 Concentrate on reading quality (it isn't all about reading lots!)

Don't worry too much about the 'what' and 'how' of reading each day. Books are great—but leaflets, comics, recipes and instructions on a webpage can all be great too. Why not set your child a reading challenge: How many different things can you read in a day?

2 Ask your child lots of questions

All reading matters. Shared reading is about 'reading with', not just 'reading to'. Why not take turns to read a page each of a longer novel? So, ask lots of 'Wh' questions, such as Who? What? When? Where? Why? Try them when talking about books: for example, 'what do you think Harry is feeling?'

3 Ask your child to make predictions about what they have read

If it is a book, look at the front cover—or the last chapter—and talk about what might happen next. Look for clues in the book and be a reading detective! For example, 'can you see the fox on the front cover? Why do you think he's so sad?'

4 Ask your child to summarise what they have read

When you've finished reading, talk about what happened. Think about how the characters behaved and interesting things that happened in the plot. You could encourage your child to keep a **reading diary**, describing the big idea of each chapter.

5 Ask your child to write about what they have read

Write, or draw pictures, from anything you've read! Big writing and pictures are even more fun. For example, use an old roll of wallpaper (or chalk on a path) and draw around your child. Ask them to fill the outline with lots of information about the main character.

6 Read and discuss reading with friends or family

Make books a part of the family. Encourage your child to share them with a relative or friend, over a video call. Laugh about them when you are making meals together. For example, 'you could use your slimepower to help me cook tea tonight.'

7 Maintain the motivation to read

Talk about the joy of reading whenever you can. Give your child choices about what they read, being in control is great motivation! Encourage them to recommend books to family and friends. For example, 'you should read this book, Grandad, because you love funny stories.'

Follow the TRUST steps

Follow the TRUST steps and keep your child talking about reading
