

Photograph Scavenger Hunt

How to play...

On your daily exercise outing, try to photograph as many of the items from the list as possible.

Some items are simple but others will challenge you to think outside the box.

You can get as creative and artistic as you like but the main aim of the challenge is to enjoy the outdoors and have fun!

Can you find....?

- Something that is round
- An animal
- Something/someone looking unusually small (think perspective)
- an interesting place to take a selfie
- Something relating to the word 'broken'
- A reflection
- Something that is blue
- A pattern
- Water
- Something beginning with the same letter as your name

How do I submit my pictures?

Upload your photographs to your Class Dojo portfolio.

Challenge:

Can you display your 10 photos in one document? You could present them like a poster on Microsoft Word or through an App like PicCollage.
