

1<sup>st</sup> March 2021

# Fairfield Newsletter

## Weekly Update

It has been a creative and fun start to Spring Term 2 at Fairfield: castles, planting, Egyptians Gods and Goddesses, Anglo-Saxon bread baking, emotion wheels/blocks designing, historic video reports about the plague and Passport to the World challenges including playing games from the past have been just some of the highlights!

We hope you enjoy our SHINE video for this week. ☺  
[SHINE Assembly - 26.02.21](#)

## Celebrations

Congratulations to Miss Woodhead, Miss Cameron and Miss Wallis who have all achieved the SENDCo qualification!!

Congratulations to Mr Summers, Miss Hallam and Mrs Mayfield for passing the Level 5 PE qualification!!

## Monday 8<sup>th</sup> March!

We look forward to welcoming all of our children back on Monday 8<sup>th</sup> March. A letter with more information about the return to school has been sent today along with an overview of our wellbeing and curriculum approach - Reconnecting and Rising Strong.

## St. David's Day

On Monday 1<sup>st</sup> March we will be celebrating St. David's Day. Children are welcome (at school and at home) to wear non-uniform and instead wear something red, green or white.

## What's on the Horizon?

We have lots of exciting projects taking place to improve and enhance our provision and make Fairfield sparkle a little brighter...

To support healthy lifestyles and our school travel plan, **bike and scooter shelters** will be installed during the Easter holidays.

To support children's practical cooking experiences, we are creating a children's **Cooking Hub / Kitchen** (Junior MasterChef Champions in the making!)

To support our future technology innovators and entrepreneurs. An **Electronics/STEM Hub** is being developed, providing a space for children to take apart computers, make robots, code and so much more.

Phase 2 of the **main playground** project will be installed from 2nd August.

### Nature to Nurture Project supported by Friends of Fairfield

After a great first meeting of Friends of Fairfield on Tuesday 23<sup>rd</sup> February (thank you to all that were able to attend!) it was decided our priority for the rest of the academic year would be to focus on pupil wellbeing. A project already discussed by school was to have a kitchen garden space with a relaxation/wellbeing area with sensory plants and herbs nearby. We are keen to support this project and so are asking for people to get involved.

**How can you support the project?** We’d love to hear from you if you would like to get involved in this project or have any donations for it. What would be useful at this stage is:

- **Outdoor pots or planters (or a skill in making them?)**
- **Established hardy plants which could provide instant structure for the wellbeing area**
- **Compost/mulch, garden canes**
- **Gardening knowledge/expertise and a willingness to share this**
- **A commitment of an hour or two of time to put the garden together**
