## Weekly Update

Children across the school have shone this week throughout their 'Express Yourself' challenges, for Children's Mental Health Week

We have enjoyed celebrating National Storytelling Week and the children have loved watching local heroes sharing their favourite stories.

Thank you also for joining our Pupil Learning Meetings, we have enjoyed reflecting on the strengths of your children with you, and your words of support and encouragement to our staff family during these meetings have been much appreciated – thank you.

Please do take time to watch our SHINE Celebration Assembly video – we hope you enjoy it.

### Fun Weekly Challenge

#### Daffodils – A Sign of Hope

As part of BBC Radio Derby's *Make a Difference* campaign to try and spread positivity, they are asking families to take part by displaying daffodils in their windows, similar to what people did with the rainbows at the start of the first lockdown last year.

It could be that you knit, crochet, paint, colour or draw and sculpt the daffodils – or even display real ones! You are free to choose how to do this, the idea is to spread positivity and show strength and resilience.

Daffodils are also a sign of hope and new beginnings, which in these challenging times, I'm sure is something we all wish for.
