# Fairfield Newsletter

## Weekly Update

What a fantastic week! It has been so wonderful to welcome all of our children back into school. The smiles on Monday morning as the children were reunited with their teachers and friends is a memory staff will cherish for a lifetime.

Children across the school have participated in **Science Week** activities, some of the highlights including using **stethoscopes to hear sound vibrations** in trees and railings and participating in **Workshops led by 'Scientist Ady'**, all about the Seven Wonders of the World.

Reception children have been captivated by a mystery **spotted egg in their curiosity box!** Y1 children, who raised over **£550 to sponsor endangered animals**, have enjoyed delivering information packs about the animals to each year group.

**Dr. Steed** virtually visited our Y2 children who were keen to ask her many questions about her chosen career in Science. Y3 children have led by example, completing the **daily mile** each morning at 9am. Y4 children have loved a week full of **practical experiments** about sound and the Y4 visits to **Fairfield Foragers** have commenced. ☺ Y5 started their new topic with a **Now Press Play Victorian experience** and Y6 have loved taking part in their first **class guitar lesson** of 2021!

## Available Spare Uniform

We have a small number of unnamed / unclaimed Fairfield jumpers and cardigans in our lost property. We would love for these to be reused and they are available on a first come first served basis.

If you would like to support us in reusing school uniform please contact the school office.

## Pupil Medical Tracker

If you have not already completed and submitted the form, please click on the link below to complete a Medical Tracker form (one per child).

A copy of the letter sent on 11.02.21 regarding the new Medical Tracker system can be found on our website.

## Global Awareness: Making a Difference

This week we have been excited to welcome eight new members to our Fairfield Family. As a result of fundraising in their Spring Term project, our Year 1 children have adopted endangered animals for each year group.

EYFS: Penguin

Y1: Elephant & Amur Leopard

Y2: Tiger

Y3: Polar Bear

Y4: Hawksbill Turtle

Y5: Orangutan

Y6: Jaguar

FOR  
YOUR  
WORLD

## Question regarding uniform...

If following the consultation period our school name changes to Fairfield Spencer Academy, this will result in our school logo changing.

We will carry out a phased transition of the logo on school uniforms. There will be no expectations for parents to purchase uniform with the new logo on for September 2021.

This can be done when new uniform is next needed.

## Menu for week commencing 15<sup>th</sup> March 2021

- 01/04 – Break up for Easter holidays

## Daily Mile

### Our journey...

This week we welcomed back all our children and our journey now continues.

Before Christmas we made it to Venice! As we build up those miles we are excited to see where we will arrive next.

We are super proud of our Year 1's, who completed a sponsored Daily Mile to adopt an endangered animal. They raised a fantastic £504!

Well done year 1!
