Weekly Update

In **EYFS** children have enjoyed listening to an audio book about the **Great Fire of London** – this has inspired lots of role play and writing.

Y1 have loved learning new skills during their **Balance Bike training** sessions.

Y4 teachers are so proud of all the children, they have amazed us with their knowledge and quick recall of **multiplication facts**.

Y5 scientists have used **different separation methods** and recorded their results to add to their scientific reports.

Y6 geographers have been using their **compass skills** and finding out about **longitude, latitude and the meridian line**.

Chess Club

Y5 absolutely love having a chess club at lunchtime. There has been lots of tactic talk this week!
