Weekly Update

We are so proud of our children, who have all shone throughout this week. Our Ofsted visitors commented on their positive, polite and respectful behaviour. Well done team Fairfield!

In **EYFS** children have enjoyed learning about the Great Fire of London and finding out about our **Fire Service** today.

Y1 have enjoyed creating **patterns whilst weaving**.

Y2 are exploring the genre of **rock music!** 'We Will Rock You' by Queen has been playing on repeat. 😊

Y3 children have been improving their **locational knowledge** in Geography.

Y4 have been finding out about the **digestive system** - they might even want to show you a practical example, using a pair of tights and a selection of food!

Y5 have loved developing their D.T. and art skills using wire and clay to create **sculptures of lizards**.

Y6 are finding their feet on the stage, as their summer **musical rehearsals** continue.

Transition Day 😊

This week, we have been made aware of changes to secondary transition for our Y6 pupils. As a result, we will be having one transition day that will take place on **Tuesday 6th July**.

Children will go to their normal classes for morning registration and will return for end of day collection at the usual time.

During the day, children will have time to get to know their new teacher and classroom and will take part in learning and friendship activities.

May we reassure you that a risk assessment for transition activities, aligned with our system of controls and advice is in place. Transition activities will maintain the integrity of bubbles. Classrooms will be well ventilated and play equipment/classroom resources will be sanitised between each bubble.

Start and Finish Times 2021-2022

To support you in planning ahead for the following academic year. We can confirm that we will continue with our current start and finish times and the one-way routes into school:

8:30am & 3:00pm - Y3 & Y4
8:40am & 3:10pm - Y1, 2 & Y5
8:50am & 3:20pm - EYFS & Y6
Gates will close at 8:55am and 3:25pm

There have been many benefits from this plan, including: calmer and less chaotic beginnings and ends to the school day and a slight reduction in traffic around the school site (although we appreciate there is still further work to do on this!).
