## Weekly Update

Lots of fun and laughter across the school this week.

In **EYFS** children have enjoyed sharing their French skills with Miss Dickinson.

**Y1** have used dip dyeing techniques in Art to create their own unique tents.

**Y2** loved exploring in Fairfield Foragers and creating their own Greek Pottery in Art.

**Y3** children have been incredible at adapting to our Tier 2 Remote Learning offer. Norman day went ahead as planned and children learnt about the stages into knighthood.

**Y4** have amazed us with their knowledge of 'time' in Mathematics.

**Y5** continue to excel in Music and have been practising their musical performances.

**Y6** have been making motorised vehicles in Design Technology this week, we are looking forward to seeing the finished products!

## Meet the Teachers ☺

Thank you to all the families who joined us for the Meet the Teacher Zoom presentations. It was a great opportunity for you to meet the teaching team for next year and find out about the learning journey ahead.

You should all have now received an electronic copy of the slides that were shared during the meeting. If you have any other questions regarding transition and the year ahead, please do not hesitate to ask any questions via Class Dojo or by calling the school office.
